**OLD PHARMACY GALLERY AND STAR BAR**  
 This new art gallery, housed in an early-20th-century apothecary, showcases local and international talent such as self-taught Rastafarian artist Ras Ish. Its tiny, wood-framed beach bar across the street runs a weekly Movies Under the Stars series on the seaside terrace from December to April. Queen St., Spightstown, 246/234-2494, movie and wine for two \$75.

***It's time to see success.***

## *Introducing Betvosa.*

A new OAB treatment that works differently.

***Because quitting isn't in you.***

For the first time in nearly 40 years, there's a new type of oral medicine for overactive bladder. Betvosa lets your bladder hold more, so you visit the bathroom less. It's proven to reduce urgency, frequency and leaks - with minimal side effects.
